VAUDEVILLE AND PICTURES

With Zeda, "The Fiery Dragon" as the headline, the management of the Bell theater promises its patrons the very best bill in the history of the house for the first three days of this week, beginning with the matinee tomorrow afternoon. Zeda is a wonderful contortionist, who uses numerous stage effects to make his act startling and realistic.

Next on the bill are Baneroff and Griffith, a pair of singing and dancing girls who are said to be dandies in their line. Fox and Ward, the "merry minstrels," who furnish the third number on the bill, promise to be not least though they are mentioned last.

An entirely new picture program including several good ones, will be a feature of the bill.

Dreamland's Program.
The Lamp Brothers and their trick male head the bill for the first half of this week at Dreamland, which has been opened under new management after remodeling. This act is said to be a wonder as a laughmaker.

Harry Rathel, a musical comedian, takes second place on the bill, and there will be a third act, the name of which could not be secured last night. In addition to these there will be a full picture program, with several new films.

The management is making an effort to furnish better shows than Dreamland has ever offered before. The matinee begins at 3:30 and continues until 5:30 and the evening performances run from 7:30 to 11 o'clock.

Mr. W. D. D. Moncre, of Richmond, is the guest of his brother, Mr. R. C. Moncre, on Twenty-sixth street. Mrs. Bertha Wright, of Caroline county, is the guest of Mrs. R. C. Moncre, on Twenty-sixth street.

On Business Trip.
Deputy Collector of Customs Edward L. Frye will leave the city this morning on an extended business trip through the West.

BETTER THAN SPANKING.
Spanking does not cure children on bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Sommers, Box W. Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

PLAYGROUNDS POPULAR

More Than Three Thousand Visits by Children in Four Days.

MANY GROWN-UPS THERE, TOO

Parents Urged to Keep Little Tots Without Attendants Away Except During Regular Hours—For Children Under Sixteen Only.

That the playground which was recently opened on the Casino by the Newport News Playground Association is proving extremely popular with the juvenile population of this city is demonstrated by the records which have been kept by the officials of the association of the attendance on the grounds, during the past few days.

The records kept show that in four days which have passed since the opening of the grounds, namely, Wednesday, Thursday, Friday and Saturday, about 3,100 visits to the grounds have been paid by the children. In addition to the children, about 1,100 grownups have visited the grounds within the same period to watch the children at play and inspect the amusements provided by the Association on the grounds.

Several simple rules have been framed by the officials of the association for the government of the playgrounds and all children using the amusements have been requested to observe them. The first is that the grounds are to be open from 9 to 12 o'clock in the morning and from 2 to 5 o'clock in the afternoon.

All parents have been requested to keep the very small children without attendants off the grounds outside of the above hours, as there will be no supervision of them except within the hours stated above.

The playgrounds are for the use of white children of sixteen years or under only and as there is not enough amusements for the use of others in addition to the children, the officials of the association are insisting on this rule being strictly complied with.

Open North End Grounds.
The playground which the association officials have planned to open in North End will be thrown open to the children on Tuesday afternoon next, and the one to be located in East end will be ready for the youngsters by June 28.

The playground in the North End will be on Huntington Avenue north of Fifteenth street, while the exact location of the one in the East End has not been decided upon as yet.

BLOW NAMED AT CANADA

(Continued on Fifth Page.)

recognized as an effort to retaliate upon Canada because of that country's effort to prevent the shipment of raw logs to the United States and senators generally desired an opportunity to study the subject before voting upon it.

Senator Burton made objection to entering the final consideration of the cash register question without giving the National Cash Register Company, whose headquarters are in Ohio, an opportunity to be heard.

The income tax question went over because of the difficulty of getting Republican senators to consider it until the tariff should be disposed of by the Senate.

Mr. Bailey, who has held out for a vote in advocacy of the completion of the work on the schedules, at last conceded the postponement of the understanding that the time when the subject does come up a vote will be permitted on the direct question.

Hides on Free List

The committee's amendment takes hides from the free list and imposes an ad valorem duty of 15 per cent which is higher than the Dingley law. Senator Lodge spoke for nearly three hours in opposition to the provision and Senator Clapp briefly in the same line.

There was not time for other speeches, but Senator Warren found opportunity during the day to make frequent remarks in the interest of the duty.

The Senate adjourned at 5:05 o'clock p. m.

BOOKER T. WASHINGTON AT THE ACADEMY TODAY

Noted Negro Educator Will be Introduced to Public by Mayor Jones.

Booker T. Washington, the noted negro speaker and educator, will deliver an address at the Academy of Music this afternoon at 3:30 o'clock. A hymn, "The Prince of Peace," will be rendered by the colored Trinity Baptist church choir to open the exercises. Introductory remarks will be made by J. Thomas Newsome just before Mayor Jones introduces the visitor.

The lower floor of the academy is reserved for white people, and the rest of the house for colored people.

"FLAG DAY" THIS TIME.

The ladies of the Joseph Charles Memorial Guild are arranging to celebrate Saturday, July 3, as "Flag Day," for the benefit of the fund with which the ladies maintain a ward at the St. Francis hospital for the benefit of indigent women and children.

BOTH IN GOOD SHAPE.

Bennie Jones and Young Gough Get Together on Mat Tomorrow Night.

Both Bennie Jones and Young Gough declare that they are in first class shape for their wrestling match, which is to be pulled off at the armory hall tomorrow night at 8:30 o'clock. The wrestlers have been hard at work during the past week training for the match, and each seems to be confident of winning. Bennie has gotten rid of considerable surplus flesh, and says he will weigh in at 130 pounds. Gough has dropped a few pounds, and expects to tip the scales at 122 tomorrow night.

This match is to be for the best two in three falls, time unlimited, catch-as-catch-can style. The winner is to take all the gate receipts. Both men say they are willing to bet their money on the result.
